

# HR*QUICK* ASSESSMENT™

## The Reality:

Many small business owners simply don't know what they don't know about risks that accompany having employees.

## The Benefit:

With an HR Quick Assessment™ report in hand, the business can:

- See where it might be out of compliance
- Stay up-to-date on HR related regulations
- Ensure that its employees are being paid fairly
- Ensure that its employees are classified correctly under wage and hour laws
- Identify HR best practices that might improve engagement and retention
